Ms. Labelle-Gelinas,

Further to the letter of request from the Kinette Club of Cornwall to surrender their tag day on the third Saturday of September, the Cornwall Chapter of the Canadian Cystic Fibrosis Foundation would like to take over this day to continue the fundraising efforts in the fight against cystic fibrosis.

The Kinette Club of Cornwall has held their tag day over the last several years in support of cystic fibrosis and the Cornwall Chapter would appreciate the opportunity to continue this.

If further information is needed please let me know and I would be more than happy to provide whatever is needed.

Regards,

Kim Baird  
President, Cornwall Chapter
